

Alumni Reunion 2009

A bright autumn sky shone on this year's Alumni Reunion held "pondside" on campus. 50 old friends gathered to reminisce and marvel at the changes and growth of "their" Andrus Children's Center. CEO Nancy Ment and Principal Ray Effinger shared updates and insights into how we nurture hope in severely troubled children. Tours of the school, Foster Hall (now under renovation), the new labyrinth and old familiar haunts filled the day. Alumni: you're always welcome "home" at Andrus.
